

The Whenever - Whatever Program

Focusing on your needs are what we are all about:

Knowledgeable

Affordable

Dependable

- *General Computer & Server Maintenance*
 - *Emergency Service Call*
 - *Hosting and ISP Provider Changes*
 - *New hardware installs*
 - *Business & Technology planning*
 - *Wireless & Remote Access Support*
- ...and a whole lot more....*

COST EFFECTIVE, FLEXIBLE, AND KNOWLEDGABLE SUPPORT + DISCOUNTED RATES

The Whenever, Whatever package was developed for customers that need IT support but do not need service on a monthly basis. You can determine the “WHEN” & “WHAT” and still receive the knowledgeable support you need at discounted rates.

This package covers everything from planning and installation to on-going assistance. It is a simple and flexible approach to obtaining professional IT support, no matter what you might need or when you might need it.

A 12-month package:

Call SJK Whenever-Whatever computer services you need

*Patricia Smith, Owner
Completely Cleveland*

“SJK has been helping me grow my business and offering their IT expertise over the past year and I feel that when you find a “great” resource like SJK, others should know. I trust them and they often offer unbiased advice that does not gain them revenue but is in my best interest & benefit. I strongly suggest that every business use SJK for both business grow coaching and their excellent IT

Our Whenever-Whatever Package is especially designed for:

- Home and Small based businesses
- 5, 10 or even 15 hr packages @ \$98 per hr
- Package must be used within a 12 month period
- Use it Whenever and for Whatever IT support you need
